REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record (namely, Gusmano, U.S. 5,796,877 and Takahagi, U.S. 6,621,944) do not disclose, teach or suggest, performing a first scan of said original at a full resolution to convert said original to a plurality of scan data representing a plurality of pixels of said original; and where said step of determining at least one of a magnification and a reduction of said original is performed over a time interval that begins before data from said first scan is written into said memory, and is performed concurrently with processing of said scan data for image reproduction characteristics other than scaling over at least a portion of said time interval, as claimed in independent claim 5. Independent claims 11 and 19 recite similar claim language, therefore, claims 11 and 19 are allowed for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
